Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Mr Douglass argues that Tomsen fails to disclose restricting display of items which are prohibited from being purchased by the customer (cl 16). The Examiner notes that Tomsen discloses a family safe feature that can display a listing of items, and that stores information such as restrictions on purchases by individual family members such as children. Further, Mr Douglass argues that Tracy et al. fails to physically taking action to prevent the purchase of the regulated item (cl 1). The Examiner respectfully disagrees and refers to col. 13, line 57-col. 14, line 2 of Tracy et al. which discloses displaying a message or playing an audible message conveying the prohibition on restricted item. Further consideration would be given upon filing of a response..
